FAQ - FREQUENTLY ASKED QUESTIONS

Where can I find the magazines online?

The full texts can be found at <http://www.thieme-connect.de/ejournals>

How many users can access at the same time?

The number of simultaneous accesses is unlimited with institutional access, with personal access only the subscriber is authorized.

Do institutions need a password?

No, access to the journals is controlled via the IP addresses.

Who can access the full text?

All users directly employed at the licensed location (s) of the institution, including visitors, the so-called

"Walk in user" are authorized for use.

Can students and university members access the online journals from home?

Authorized users can access through the institutional proxy server. The prerequisite is that you authenticate yourself with a login and a password in order to log into the secure intranet of the licensee.

What is a single site?

A single site is the geographic location of an institution, e.g. the contiguous campus of a university or the geographic location of a branch of a company.

Is test access possible?

A non-binding test access can be requested independently at eproducts@thieme.de.
