Preface <i>Suresh Pillai</i>	xi
Preface <i>Kailesh Pujary</i>	xii
Contributors	xiii
Competency Mapping Chart	xviii
<b>Section A: The Ear</b>	
1. Anatomy of the Ear <i>Rukma Bhandary</i>	1
2. Physiology of the Ear <i>Vishwas K. Pai</i>	14
3. History Taking and Examination of the Ear <i>Meera Niranjana Khadilkar and Sushmitha Kabekkodu</i>	23
4. Assessment of Hearing <i>Deepalakshmi Tanthry</i>	36
5. Hearing Loss and Rehabilitation <i>Ajoy Mathew Varghese</i>	53
6. Otalgia <i>Vinay V. Rao</i>	76
7. Diseases of the External Ear <i>K.S. Gangadhara Somayaji and A. Rajeshwary</i>	79
8. Diseases of the Middle Ear <i>Vijayalakshmi Subramaniam and Harsh Ajay Suri</i>	95
9. Otosclerosis <i>Vijendra Shenoy S. and Sreenivas Kamath K.</i>	128
10. Disorders of the Facial Nerve <i>Mahesh Santhraya G.</i>	134
11. Assessment and Disorders of the Vestibular System <i>Ajay Bhandarkar</i>	143
12. Ménière's Disease <i>Suja Sreedharan</i>	153
13. Tinnitus <i>Devaraja K.</i>	160
14. Myringotomy and Grommet Insertion <i>Kuldeep Moras</i>	166
15. Myringoplasty and Tympanoplasty <i>D. Deviprasad</i>	168

16.	Cortical Mastoidectomy <i>Andrews C. Joseph</i>	174
17.	Stapedotomy <i>Kuldeep Moras</i>	178
18.	Disorders of Eustachian Tube <i>Shama Shetty</i>	181
19.	Tumors of the Ear <i>Navneeta Gangwar</i>	187
<b>Section B: Nose and Paranasal Sinuses</b>		
20.	Anatomy of the Nose and Paranasal Sinuses <i>Suresh Pillai and Tulasi Karanth</i>	196
21.	Physiology of the Nose and Paranasal Sinuses <i>Kailesh Pujary and Anusha Shashidhara Shetty</i>	205
22.	History Taking and Examination of Nose and Paranasal Sinuses <i>Meera Niranjana Khadilkar and Sushmitha Kabekkodu</i>	211
23.	Investigations of the Nose and Paranasal Sinuses <i>Poorvi V. Sharma</i>	220
24.	Diseases of the External Nose and Vestibule <i>Ashish Chandra Agarwal</i>	229
25.	Diseases of the Nasal Septum and Nasal Obstruction <i>Mahesh Bhat T. and Cimona Dsouza</i>	235
26.	Acute and Chronic Rhinitis and Granulomatous Diseases of the Nose <i>P. Thirunavukarasu</i>	245
27.	Allergic Rhinitis <i>Shrinath D. Kamath P.</i>	258
28.	Vasomotor Rhinitis <i>Vadisha Bhat</i>	264
29.	Acute and Chronic Sinusitis Including Fungal Sinusitis <i>Bini Faizal</i>	267
30.	Nasal Polyps <i>Suresh Pillai</i>	281
31.	Epistaxis <i>Navneet Kumar and Sunil Varghese</i>	289
32.	Foreign Bodies in the Nose <i>Rejee Ebenezer R. and Avinash Mohan</i>	297
33.	Benign and Malignant Tumors of the Nose and Paranasal Sinuses <i>Ajay Bhandarkar</i>	301
34.	Septoplasty <i>Vijendra Shenoy S. and Kshithi K.</i>	310
35.	Functional Endoscopic Sinus Surgery <i>Krishna Koirala</i>	316

**Section C: Oral Cavity and Pharynx**

- |     |   |     |
|-----|---|-----|
| 36. | Anatomy of the Oral Cavity and the Salivary Glands<br><i>Meera Niranjan Khadilkar</i>       | 321 |
| 37. | Anatomy of the Pharynx<br><i>Arun Alexander and Soorya Pradeep</i>                          | 328 |
| 38. | Physiology of Pharynx<br><i>Sushmitha Kabekkodu</i>   | 334 |
| 39. | History Taking and Examination of the Throat<br><i>Deepa R.</i>                             | 337 |
| 40. | Adenoids, Inflammation of the Nasopharynx, and Adenoidectomy<br><i>Udayabhanu H.N.</i>      | 344 |
| 41. | Acute and Chronic Pharyngitis<br><i>Mahesh Santhraya G.</i>                                 | 352 |
| 42. | Acute and Chronic Tonsillitis<br><i>Yogeesha B.S., Venkatesha B.K., and Nagaraj Maradi</i>  | 358 |
| 43. | Tumors of Oral Cavity<br><i>Vijendra Shenoy S. and Sreenivas Kamath K.</i>                  | 373 |
| 44. | Tumors of the Nasopharynx<br><i>Anil Kumar R. and B. Vishwanath</i>                         | 386 |
| 45. | Tumors of the Oropharynx<br><i>Vijendra Shenoy S. and Sweekritha N. Bhat</i>                | 393 |
| 46. | Tumors of the Hypopharynx<br><i>Vijendra Shenoy S. and Sanchit Bajpai</i>                   | 402 |
| 47. | Miscellaneous Conditions of the Pharynx<br><i>Ashish Chandra Agarwal and Kailesh Pujary</i> | 409 |

**Section D: The Larynx**

- |     |  |     |
|-----|--|-----|
| 48. | Anatomy of the Larynx<br><i>Suresh Pillai and Prerit Rao</i>   | 416 |
| 49. | Physiology of the Larynx<br><i>Suresh Pillai and Prerit Rao</i>  | 426 |
| 50. | History Taking and Examination of the Larynx<br><i>Sathappan Subramanian</i>                               | 430 |
| 51. | Investigations for Laryngeal Disease and Evaluation of Hoarseness of Voice<br><i>Sathappan Subramanian</i> | 434 |
| 52. | Acute and Chronic Inflammation of the Larynx<br><i>Jaspal Singh Sahota and Kamlesh Dubey</i>               | 440 |
| 53. | Vocal Cord Paralysis<br><i>Udayabhanu H.N.</i>   | 448 |
| 54. | Benign Lesions of the Vocal Cord<br><i>K.P. Basavaraju and Kartik Herkal</i>                               | 460 |
| 55. | Malignant Tumors of the Larynx<br><i>Arun Alexander and Soorya Pradeep</i>                                 | 470 |

56.	Stridor and Congenital Lesions of the Larynx <i>Deepak K. Mehta and Jonathan Chiao</i>	477
57.	Tracheostomy and Airway Emergencies <i>Deepak K. Mehta and Chantal Barbot</i>	486
58.	Foreign Bodies in the Air Passage <i>K.S. Gangadhara Somayaji and A. Rajeshwary</i>	495
59.	Direct Laryngoscopy <i>Krishna Koirala</i>	501
60.	Hypopharyngoscopy <i>Inku Shrestha Basnet</i>	504
61.	Microlaryngoscopy <i>Krishna Koirala</i>	509
62.	Bronchoscopy <i>Krishna Koirala</i>	513
<b>Section E: The Esophagus</b>		
63.	Anatomy and Physiology of the Esophagus <i>Sajilal M.</i>	519
64.	Diseases of the Esophagus <i>Kailesh Pujary</i>	524
65.	Dysphagia <i>Kailesh Pujary</i>	535
66.	Foreign Bodies in Esophagus <i>Ashok S. Naik</i>	539
67.	Esophagoscopy <i>Ashok S. Naik</i>	543
<b>Section F: Head and Neck</b>		
68.	Anatomy of the Neck <i>Amit Kumar Sharma</i>	548
69.	Examination of the Neck <i>Amit Kumar Sharma</i>	553
70.	Diseases of the Salivary Glands <i>Bini Faizal</i>	556
71.	Trauma to the Face and Neck <i>Thripathi Rai</i>	566
72.	Neck Space Infections <i>L. Sudarshan Reddy</i>	583
73.	Cervical Lymphatic System and Neck Dissection <i>Arun Alexander and Soorya Pradeep</i>	597
74.	Neck Swellings <i>Monika Pokharel</i>	603

**Section G: General ENT**

75.	Viral Infections in the Ear, Nose, and Throat <i>Chandrakiran C.</i>	613
76.	Patient Counseling <i>Kailesh Pujary</i>	621
77.	Microbiology and Pathology in Ear, Nose, and Throat <i>Kiran Chawla and Deepak Nayak M.</i>	626
78.	National Programs in India Related to Ear, Nose, and Throat <i>Kirthinath Ballal and Afraz Jahan</i>	640
79.	Radiology in ENT <i>Ajay Bhandarkar</i>	647
80.	Instruments in ENT <i>R. Archana Pillai</i>	657
	<b>Appendix: Communication Etiquette and Bioethics for Medical Students in Training</b> <i>Mary Kurien</i>	<b>671</b>
	<b>Index</b>	<b>673</b>
