The *Journal of Pediatric Genetics* is an English multidisciplinary peer-reviewed international journal publishing articles on all aspects of genetics in childhood and of the genetics of experimental models. These topics include clinical genetics, molecular genetics, biochemical genetics, medical genetics, dysmorphology, teratology, genetic counselling, genetic engineering, formal genetics, neuropsychiatric genetics, behavioral genetics, community genetics, cytogenetics, hereditary or syndromic cancer genetics, genetic mapping, reproductive genetics, fetal pathology and prenatal diagnosis, multiple congenital anomaly syndromes, and molecular embryology of birth defects. *Journal of Pediatric Genetics* provides an in-depth update on new subjects and current comprehensive coverage of the latest techniques used in the diagnosis of childhood genetics.

*Journal of Pediatric Genetics* encourages submissions from all authors throughout the world. The following articles will be considered for publication: editorials, original and review articles, short report, rapid communications, letters to the editor, and
book reviews. Authors are encouraged to submit case-based reviews and case reports to the Journal of Child Science. The aim of the journal is to share and disseminate knowledge between all disciplines in the field of pediatric genetics. This journal is a publication of the World Pediatric Society: http://www.worldpediatricsociety.org/

The Journal of Pediatric Genetics is available in print and online. Articles published ahead of print are available via the eFirst service on the Thieme E-Journals platform.

Journal of Pediatric Genetics is affiliated with:
Bangladesh Society of Human Genetics
Brazilian Society of Medical Genetics and Genomics
Clinical Genetics Society of Croatia
Ecuadorian Society of Human Genetics
Genetic Association in Bosnia and Herzegovina
Hungarian Society of Human Genetics
National Society of Human Genetics-Egypt

Abstracting and indexing:
EMBASE, ESCI, Google Scholar, PubMed Central, EBSCO, ProQuest

Individual Rates: Personal subscription orders can only be placed by individuals and must include the recipient's name and personal address. Must be for individual use only and paid for by personal funds of the individual. Only qualified professionals and students are eligible for individual subscriptions.
