The *Journal of Pediatric Intensive Care* is an English multidisciplinary peer-reviewed international journal publishing articles in the field of pediatric intensive care. Journal of Pediatric Intensive Care is written for the entire intensive care team: pediatric intensivist, pediatricians, neonatologists, respiratory therapists, pediatric anesthetist, nurses, and others who deal with patients in neonatal and pediatric intensive care units. *Journal of Pediatric Intensive Care* provides an in-depth update on new subjects and current comprehensive coverage of the latest techniques in intensive care in childhood.

*Journal of Pediatric Intensive Care* encourages submissions from all authors throughout the world. The following articles will be considered for publication: editorials, original and review articles, short report, rapid communications, letters to the editor, and book reviews. Case reports are no longer published in the *Journal of Pediatric Intensive Care*. Authors are encouraged to submit case reports to the *Journal of Child Science*. The aim of the journal is to share and disseminate knowledge between all disciplines.
in the field of pediatric intensive care. This journal is a publication of the World Pediatric Society:

http://www.worldpediatricsociety.org/
