

## Digestive Disease Interventions

Volume : 7  
Year : 2023  
ISSN : 2472-8721

### Description

**Digestive Disease Interventions (DDI)** is a peer reviewed journal that aims to publish high quality review and original research articles on all aspects of digestive disease interventions. As the official journal of the American Society of Digestive Disease Interventions, DDI intends to become the journal of choice for interventional radiologists, gastroenterologists and gastrointestinal and hepatobiliary surgeons who seek reliable and up-to-date information on all aspects of minimally invasive interventions of the digestive system.

**Online Manuscript Submission**  
Submit your article here

### Abstracting and indexing:

Google Scholar, EBSCO, Embase, ProQuest

DDI requires that authors follow the ICMJE (International Committee of Medical Journal Editors) recommendations for the Conduct, Reporting, Editing, and Publication of Scholarly work in Medical Journals. More information can be found here:

<http://www.icmje.org>
