The Asian Journal of Oncology, a publication of Spring Hope Cancer Foundation & Young Oncologist Group of Asia, is a peer-reviewed journal publishing biannually. Society members include eminent names from surgical oncology, onco-medicine, critical care, radiology and onco-specialists from the fields of gastroenterology, hematology and pulmonology, originating predominantly from South-East Asia. The journal focuses on publishing emerging investigations, developing technologies, and therapeutic interventions in oncotherapy and related surgeries.

Asian Journal of Oncology requires that authors follow the ICMJE (International Committee of Medical Journal Editors) recommendations for the Conduct, Reporting, Editing, and Publication of Scholarly work in Medical Journals. More information can be found here: <http://www.icmje.org>
