

European Journal of Dentistry

Volume : 17
Year : 2023
ISSN : 1305-7456

Description

This journal is available to read for FREE on the [Thieme E-Journals](#) platform.

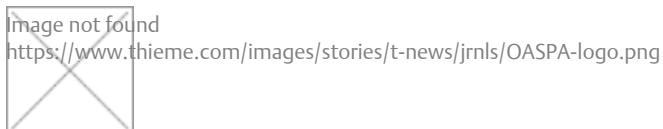

For further information about how to submit a manuscript to the European Journal of Dentistry, including details about the publication fee, please see the author instructions.

The European Journal of Dentistry is a double-blinded peer-reviewed, Open Access, multidisciplinary international journal addressing various aspects of dentistry. The journal is published with a quarterly frequency i.e., Feb, May, July and October.

The journal's board consists of eminent investigators in dentistry from across the globe, coming from different geographical regions. The journal encourages its authors to submit original investigations, reviews, and reports addressing various divisions of dentistry including oral pathology, prosthodontics, endodontics, orthodontics, etc. It is available both online and in print.

Abstracting and indexing:

PubMed Central, Scopus, EBSCO, ProQuest

European Journal of Dentistry requires that authors follow the ICMJE (International Committee of Medical Journal Editors) recommendations for the Conduct, Reporting, Editing, and Publication of Scholarly work in Medical Journals. More information can be found here: <http://www.icmje.org>
