Price: $39.99

Description

*Thieme Test Prep Forensic Medicine and Toxicology* is the book which includes the entire syllabus of Forensic Medicine & Toxicology in accordance with the Competency Based Undergraduate Curriculum of National Medical Commission (NMC) for the MBBS students. The test prep is an essential read for MBBS students, as it presents the subject and its concepts in a clear and concise manner. The presentation of the text in “Question and Answer” format would further benefit the MBBS students as well as the postgraduate students of Forensic Medicine during their examinations.

Salient Features

- Description in bullet points supplemented with a good number of tables and flow charts for easy understanding and memorization.
- Easy-to-remember mnemonics for an easy recall in examinations.
- Each chapter is followed by MCQs for self-assessment of the students and for quick revision before MBBS as well as postgraduate entrance examinations.
- Latest updates on the medicolegal matters including the recent amendments.
- Useful reference source for experts (medical jurists, clinicians, lawyers, etc.) dealing with medicolegal issues.

**Prof. Tanuj Kanchan**, MD, MAMS, FIAMLE is the Dean (Research) and Professor & Head of the Department of Forensic Medicine & Toxicology at All India Institute of Medical Sciences (AIIMS), Jodhpur. Dr. Kanchan has shouldered the responsibility of Assistant Dean (Research) and Vice Dean (Examinations) in the past.
